Insurance Information

For those wishing to use insurance, please note that PeoplePsych:

- Therapists are only in-network for Blue Cross Blue Shield (BCBS) PPO and Blue Choice plans.
- · Will attempt to access out-of-network coverage for those covered by other PPO plans if requested.
- Will not access any Medicaid, TriCare, Medicare, HMO or similar plan for coverage including BCBS HMO plans.

For those covered by BCBS PPO and Blue Choice PPO plans, PeoplePsych therapists are contracted providers (in-network), and have agreed to the contracted rate. PeoplePsych only charges these clients the charges related to the deductible and the co-pay (or co-insurance) as determined by BCBS.

For those clients accessing out-of-network insurance coverage:

- 1. PeoplePsych may request that clients pay the balance due in full if the carrier does not process the claims in a timely manner (30 days) or is known to lag in the processing of out-of-network claims.
- 2. Sliding scale or reduced fees are not available to those accessing their out-of-network benefits.
- 3. PeoplePsych's full session is charged and clients are responsible for any balance not covered by their insurance carrier (in addition to any deductible, co-insurance, or copays applied by the insurance company.)
- 4. Any overpayment of monies paid by client will be refunded in full by PeoplePsych upon request.

PeoplePsych will attempt to verify eligibility and benefits for all PPO clients. Clients/responsible party will be notified of expected charges as soon as possible. Please note that the outstanding deductible amount is generally not known until each claim is processed by the insurance company, PeoplePsych will notify clients of any balance due as soon as possible.

Applicable to all insurance claims: Verification of insurance benefits or coverage is not a guarantee of eligibility or payment. Actual insurance payment is based upon plan provisions and limitations in affect on the specific date of the service (DOS). All claims are subject to review upon receipt by insurance payer. Insurance companies reserve the right to refuse payment, clients can appeal to the insurance company for any denial of payment. In the event no payment is made by the insurance carrier, clients are ultimately responsible for the full fee.

*CVC: A Card Verification Code, or CVC, is a number that provides extra security to credit and debit card holders, in case an unauthorized person gets a hold of your account number. CVCs are one way to make sure someone has the actual card in his or her possession.

The CVC on American Express cards is four digits, and is located on the front of the card, on the right side. Discover, MasterCard, and Visa use three-digit CVCs, which are listed on the back of the card. The CVC is the last three digits of the number that appears on your signature bar.
